Quality Commercial Cooking Equipment

## ACB

### CHICKEN ROTISSERIE UNITS

Innovative technology at work in the food service industry. These hand crafted Chicken Rotisseries are engineered and fabricated with the most advanced features to ensure a long demanding life. As with all American Range products our energy efficient Chicken Rotisseries use the most up to date design and components for a superior product. Welded frame construction and heavy gauge stainless steel panels to ensure exceptional quality, an all stainless steel body makes clean up easy. Heavy duty burners rated at 35,000 BTU/hr, for the maximum output available. Rotisseries are available in three sizes, you select the one that is right for you.

MODEL ACB-7 SHOWN

## ACB
