

MODULAR SERVING SYSTEMS

ALUMINUM - CA

CORNER UNIT

Item No. _____

Quantity _____

CACC

CACC-3 SHOWN
Shown with accessories,
End Panels

DESCRIPTION:

Maximize your serving line display area and give your counter that custom finished look with the corner unit. It's made to match all CA-CART units with our exclusive locking mechanism. Two end panels may be specified for outside corner applications.

The attractive streamlined design, plus the variety of laminates give you a wide range of choices to complement any decor. The unmatched feature of the CA-Cart Line is the self-locking device which eliminates loose fasteners or molding strips to lock units together. Simply push the units together; the carts will automatically lock and the top will be flush and level, regardless of the floor's condition. It's the right cart for your serving line needs.

FEATURES:

- Positive self-locking device - keeps tops level and equipment in place
- Fully mobile - each unit is provided with 5" dia. swivel casters, two with brakes
