### DESCRIPTION:

Complete your serving line system with the cashier station. It provides a large and convenient location for your cash register and includes a locking cash drawer and foot rest.

The attractive streamlined design, plus the variety of laminates give you a wide range of choices to complement any decor. The unmatched feature of the CA-Cart Line is the self-locking device which eliminates loose fasteners or molding strips to lock units together. Simply push the units together; the carts will automatically lock and the top will be flush and level, regardless of the floor's condition. It's the right cart for your serving line

needs.

### FEATURES:

- Large area for cash register
- Locking cash drawer and foot rest
- Fully mobile - each unit is provided with 5" dia. swivel casters, two with brakes
- NSF certified
