DESCRIPTION:

The Utility Cart is a multi-purpose flat top serving unit that can provide extra display space in your serving line. Available in five convenient sizes, this unit does it all - from a beverage, soup/sandwich, coffee, bread, pastry/dessert counter, to a simple work station; loaded with accessories to make it work for you.

The attractive streamlined design, plus the variety of laminates give you a wide range of choices to complement any decor. The unmatched feature of the CA-Cart Line is the self-locking device which eliminates loose fasteners or molding strips to lock units together. Simply push the units together; the carts will automatically lock and the top will be flush and level, regardless of the floor's condition. It's the right cart for your serving line needs.

FEATURES:

- Positive self-locking device - keeps tops level and equipment in place
- Fully mobile - each unit is provided with 5" dia. swivel casters, two with brakes
- Versatile - available in a wide range of sizes and a wide variety of finishes and colors
