Low Volume

Amana Commercial Microwave Model ALD10T

Power Output

- 1000 watts of power.
- Four power levels for menu flexibility.
- Three cooking stages for cooking flexibility.

Certified Oven for Commercial Applications

- Tested to higher standards for a commercial rating - required by most commercial insurance policies and health inspectors.
- Interlock safety switch is tested to 4 times the standard of residential ovens.
- Constructed to withstand the foodservice environment, multiple users and variable ambient temperatures.
- Compared to a residential oven, this oven is more powerful for faster heating and better quality results.
- Engineered for a simple, "self-service" operation.

Easy to Use

- Perfect replacement for inappropriate domestic ovens used in a foodservice applications.
- Touch controls are ideal for self-service locations.
- 20 programmable settings and 4 power levels provide consistent results.
- See-through door and lighted interior for monitoring without opening the door.
- 1.2 cubic foot (.034m³) capacity accommodates a 14" (356 mm) platter, prepackaged foods and single servings.
- Stackable to save valuable counter space.

Easy to Maintain

- Stainless steel exterior and interior for easy cleaning and a commercial look.
- Limited 3 year warranty.
- Backed by the ACP, Inc. 24/7 ComServ Support Center, 866-426-2621.
- UL and NSF Listed and CSA Certified.
