

BCM Blodgett Combi Manual Control

SIMPLE, USER FRIENDLY CONTROL

Push a button, turn a dial. It's that simple to operate.

Combi, hot air steam and retherm. What more do you need... Oh how about a meat probe, a couple recipes, self cleaning and the ability to de-scale it yourself

Look no further, you just described Blodgett Combi's BCM Controller.

**Combi Wash
Self Cleaning System**
*The only manual combi with
self cleaning on the market!*

BCM-101E
shown with optional stand
