Features

iMIX Silver Series Plus Hot & Iced Dispenser

Sleek, eye-catching powdered beverage dispenser featuring advanced mixing technology delivers exceptional hot drinks

- 3 dispense nozzles for hot drinks and 2 for iced cappuccino with split hot/iced cappuccino lighted display.
- Capacity: five, 8-pound (3.6 kg) hoppers.
- Large, lighted front graphics for merchandising.
- One 3 gal. (11.35L) and one 2 gal. (7.57L) hot water tank, with individually controlled thermostats, adjustable from 50° to 200°F, for optimum drink quality for hot and cold products.
- Cup clearance at 7.25" (18.4 cm) to accommodate popular cup sizes [adjustable to 8.12" (20.6 cm)].
- Variable speed motors allow control of product consistency in mixing chamber (.75 to 6.6 grams of powder per second).
- Key service components easily accessible through front and top.
- Easily removable side panels for complete access to service components.
- High speed, heavy-duty whipper for complete product mixing.
- Front of machine access to tank drain, dump valves, auger and whipper motors and control board for easy service.
- Key lock on the door prevents tampering.
- Contemporary styling for striking visual statement.
- Spring-loaded, all metal auger drive system for easy hopper installation.
- Front of machine set up and calibration.
- Can be set as push and hold or single size portion control.
- Alphanumeric display allows adjustments and service operational testing from front of machine. Also communicates advertising messages, machine status and technical support contact information.
- Top hinged, lift door model available.
