- The G9T HD accommodates larger brew funnels.
- Three year warranty on grinding burrs.
- International electrical configurations available.

For current specification sheets and other information, go to [www.bunn.com](http://www.bunn.com).

### Related Products

#### Precision Burrs

All BUNN grinders use precision burrs to cut (not crush) the coffee beans and deliver consistent grind distribution. BUNN burrs are rated at a Rockwell hardness of 66C, resulting in an exceptionally long burr life.
