**Warning:** Plumbing and electrical connection should be made by qualified personnel who will observe all the applicable plumbing, sanitary and safety codes and the National Electrical Code.

**Plumbing Note:** Because of the variation in house-supplied water and steam pressure, pressure regulating valves (PRV's) for incoming water and steam supply are needed. The PRV's can be purchased from Champion or obtained locally.

**Note:** Water Hammer Arrestor (meeting ASSE-1010 standard or equivalent) to be supplied (by others) in common water supply line at service connection.

Due to an ongoing value analysis program at Champion, specifications contained in this catalog are subject to change without notice.
