

Follett® Horizon Chewblet ice icemakers are compact, reliable and versatile. Available in both top mount and Satellite-fill™ ice through a tube configurations, Horizon icemakers can fill:

- Ice storage bins, ice transport systems, and Ice•Devlce™ ice storage and dispensing systems
- Countertop ice and beverage dispensers
- Drop-in dispensers at drive-thrus and server stations

Engineered with stainless steel frame and exterior, Horizon icemakers use environmentally friendly R404A refrigerant and are capable of producing up to 471 kg (1036 lbs) for the 1000 series and 658 kg (1450 lbs) for the 1400 series of Chewblet compressed nugget ice in a 24-hour period.

Low life cycle cost

- Uses up to 40% less water than cube icemakers
- Rejects up to 30% less heat than typical cuber
- Requires no preventive maintenance other than periodic cleaning and sanitizing

Satellite-fill capability

- Install icemaker up to 23 m (75 ft) away from the bin or dispenser
- Applications of more than 6 m (20 ft) require factory approval
- Improved sanitation, aesthetics, serviceability

Consumer-preferred Chewblet ice

- Easy to chew
- More reliable dispensing than nugget or pellet ice
- Slow melting, maintains drink temperature and quality
- Drink performance comparable to cubes
- Higher displacement than cube ice

Innovative engineering; unsurpassed reliability

- Horizontally positioned evaporator provides maximum heat transfer for high capacity with compact dimensions
- Unique auger profile design maximizes ice capacity and reduces loads on gearmotor, bearings and seals
- Automatic self-flushing drains away mineral laden water, reduces scale build-up
- Easy to read display provides at-a-glance operational status
- Semi-automatic cleaning and sanitizing system lowers maintenance cost
- Highest quality components for long life, high reliability
- Quiet operation, no noisy batch harvest cycles

Superior sanitation

- Floatless, sealed design inhibits formation of biofilms
- Aluminum bronze evaporator provides inherent anti-microbial properties

Accessories

- Water filter kit (item# 00130286)
- Wall mount bracket (refer to form# 3311)
- Ice machine stand (refer to form# 3311)
- Timer to control one or two Horizon icemakers (refer to form# 3311)

Warranty

- 3 years parts and labor on all components; 5 year parts on compressor
